COD - Cash on Delivery	As per rate table, higher of Minimum and % of COD Value. Pay-out is business days between Monday to Friday. Payment is processed on receipt of payment from the carrier. Each carrier follows a different COD pay-out cycle. COD will be on hold or adjusted against negative wallet balance (Outstanding payment). COD Payment made by Consignee through credit card / debit card / wallet at Point of Sale (POS) will Attract Additional Charge (in addition to COD charge) of INR 40 Per Shipment or 2% of Payment Value. Applicable on Delhivery, Ecom Express, Ekart, Bluedart, Xpressbees, Shadowfax, FedEx, DotZot  The remittance frequency of most carriers remain constant and there could be changes that could arise
Carrier wise COD Remittance Frequency	based on operational conditions of the carrier. Any delay in COD is attributed to delays from the carrier, frequency of cash pick up service from destination branch availed by carrier from Cash Management Service (CMS) Provider. Most metro cities & tier 1 cities, the remittance is faster. For remaining cities, there could be some delays. Terms & Conditions of the Agreement will be applicable. Vamaship shall not be liable for any delays in COD by the carrier. Vamaship is in negotiation with most carriers to move to a daily remittance frequency. As and when the changes are made by the carrier, it will be extended to the customer. Below is the current approximate remittance frequency of carriers: (1) Twice a week on Delivered + 4 (D+4) days basis: Delhivery, Ecom Express, Bluedart, Shadowfax   (2) Daily remittance, Monday to Friday, Delivered + 4 Days basis: Xpressbees, FedEx, Ekart   (3) Once a week on Delivered + 5 Days basis: Dot Zot (DTDC)
Volumetric Divisor	For All EXP, EXP Plus, Rev & Rev QC carriers: 5000   For STD: FedEx & Xpressbees: 4500 (OR CFT 6);
Chargeable Weight	Bluedart, Ekart, Delhivery: 5000; DTDC: 4750 (or CFT 5.69)  Higher of gross weight of shipment or volume weight (dimension weight), whichever is higher. Gross weight is the weight reading on a weighing scale or a WDL machine or a Sorter Machine. When the Dimensions of the shipment package is measured in centimetres (cms), volume weight for a service on a carrier is calculated as (Length (L) * Breadth (B) * Height (H)) / Volumetric Divisor. Every carrier samples some shipments to measure the dimension & weight within their network, and charge based on the measured weight based on details captured by the WDL machines or Sorter machines or at the time of sampling of shipments. Customer to ensure correct weight is used to book the shipment to avoid penalties as per the terms of agreement. All disputes on chargeable weight to be raised from the system. Ensure photographs of the package while measuring dimension & weight is uploaded along with weblinks of product listed on marketplace or websites at the time of raising weight dispute. Chargeable weight as per Sorter image provided by any carrier will be final. Providing sorter image by a carrier is not mandatory and a carrier is not liable to share sorter image. It is shared on best effort basis. Carriers decision is final on the applicable chargeable weight of the shipment and the customer agrees to pay the charges so levied.
VCHC – Valuable Cargo Handling Charge	Higher of INR 100 or 1% of Declared Value Per Airway Bill   Applicable on products valuing greater than INR 5000 per Kg   Applicable on Ecom Express. For any other carrier, will be advised or shown against the booking / invoice. Any VCHC charge levied by carrier on account of shipments containing any form of precious metals or precious stone will attract VCHC charge of Min 100 or 1% of Shipment Value
Address Correction Charge	Higher of INR 100 or INR 50 per 500 Gms
Freight on Value (FOV) - Owners Risk	Subject to specific Service Provider   Higher of INR 200 or 1% of Invoice Value. Applicable on shipments
**** Max Liability For Lost / Damage and other Risk Clauses	containing valuable products, products containing precious metal & precious stone.  1.
